

Welcoming Sunne to the Network of the Future

SUNNE | VÄRMLAND

2010...

- 0.5 % HC FTTH
- Poor mobile coverage in rural areas
- 30 % no ADSL

Financing

- European Agricultural Fund for Rural development funded the economic associations with part of the investment
- Sunne municipality funded the transportation network
- Telia funded fiber and mobile set-up and gave access to existing infrastructure
- Citizens and companies approximately 2 000 €/fiber access

BRIDGING THE GAP...
